

Resource List

Saving Lives:
Integrating
Vaccines for
Adults Into
Routine Care

AARP

http://assets.aarp.org/external_sites/adam/html/1/002024.html

- Provides an overview on immunizations

www.aarp.org/health/healthyliving/articles/ichcklist.html

- Offers a print-and-save adult immunization checklist

American Academy of Family Physicians

www.aafp.org/online/en/home.html

- Includes disease-specific information and recommended adult immunization schedule

American Cancer Society

www.cancer.org/docroot/CRI/content/CRI_2_6x_FAQ_HP_V Vaccines.asp

- Provides answers to common questions about HPV and the vaccine

www.cancer.org/docroot/CRI/content/CRI_2_6X_ACS_Recommendations_for_HP_V Vaccine_Use_to_Prevent_Cervical_Cancer_and_Pre-Cancers_8.asp?sitearea=&level

- Offers background information about the HPV vaccine, as well as the American Cancer Society's recommendations for HPV vaccination to prevent cervical cancer

www.cancer.org/docroot/PED/content/PED_1_3X_Infectious_Agents_and_Cancer.asp?sitearea=PED

- Provides information about infections which are linked to cancer

www.cancer.org/docroot/CRI/content/CRI_2_4_2X_What_are_the_risk_factors_for_liver_cancer_25.asp

- Provides risk factors for liver cancer, including hepatitis B

American College of Obstetricians and Gynecologists

www.acog.org

- Provides materials on human papillomavirus (HPV), including vaccination recommendations and information on vaccinations during pregnancy

American College of Physicians

www.acponline.org/patients_families/immunization/adult/

- Offers a wide range of vaccine- and disease-specific information

American College of Preventive Medicine

www.acpm.org

- Extensive information resources on screening, counseling and prevention of diseases, including adult immunization recommendations

American Liver Foundation

www.liverfoundation.org/education/info/hepatitisb/

- Provides background about hepatitis B (includes risk of cancer and vaccination)

American Medical Association

www.ama-assn.org/ama/pub/physician-resources/public-health/vaccination-resources/adult-vaccination.shtml

- Offers vaccination resources such as an influenza immunization toolkit and adult vaccination recommendations

Centers for Disease Control and Prevention

www.cdc.gov

- Offers a wide range of vaccine- and disease-specific information and recommendations

www.cdc.gov/mmwr

- Provides access to previous and current issues of the CDC's Morbidity and Mortality Weekly Report (MMWR)

www.cdc.gov/vaccines/vpd-vac/default.htm

- Provides links to information about specific vaccine-preventable diseases

www.cdc.gov/vaccines/pubs/vis/default.htm

- Vaccine Information Statements on all vaccine-preventable diseases

Disease Specific Links

www.cdc.gov/vaccines/vpd-vac/varicella/default.htm

- Information specific to chickenpox (varicella)

www.cdc.gov/vaccines/vpd-vac/diphtheria/default.htm

- Information specific to diphtheria

www.cdc.gov/vaccines/vpd-vac/hepa/default.htm

- Information specific to hepatitis A

www.cdc.gov/vaccines/vpd-vac/hepb/default.htm

- Information specific to hepatitis B

www.cdc.gov/vaccines/vpd-vac/hpv/default.htm

- Information specific to HPV

www.cdc.gov/flu/

- Information specific to influenza

www.cdc.gov/vaccines/vpd-vac/measles/default.htm#vacc

- Information specific to measles

www.cdc.gov/vaccines/vpd-vac/mumps/default.htm#vacc

- Information specific to mumps

www.cdc.gov/vaccines/vpd-vac/pertussis/default.htm

- Information specific to pertussis

www.cdc.gov/vaccines/vpd-vac/pneumo/default.htm

- Information specific to pneumococcal disease

www.cdc.gov/vaccines/vpd-vac/rubella/default.htm

- Information specific to rubella

www.cdc.gov/vaccines/vpd-vac/shingles/default.htm

- Information specific to shingles (zoster)

www.cdc.gov/vaccines/vpd-vac/tetanus/default.htm

- Information specific to tetanus

Infectious Diseases Society of America

www.idsociety.org/adultimmunization.htm

- Provides the IDSA policy blueprint to strengthen and raise adult immunization rates

National Foundation for Infectious Diseases

www.nfid.org

- Includes general and technical disease information, including disease fact sheets, a summary of U.S. incidence rates and disease impact

National Library of Medicine

www.nlm.nih.gov/medlineplus/healthtopics.html

- Includes up-to-date disease information, research news and resources for patients/providers

National Network for Immunization Information

www.immunizationinfo.org

- Offers health professionals, policy makers, the public and the media up-to-date information related to immunization

U.S. Department of Health and Human Services

National Vaccine Program Office

www.hhs.gov/nvpo/immun.html

- Discusses adult immunizations, and includes links to general immunization information, the CDC's adult immunization schedule and immunization laws

Immunization Action Coalition

www.immunize.org

- Provides important vaccination information for health care professionals, including background on vaccine-preventable diseases, resource materials and links to state immunization information
